TURBOCHARGER OIL LINES

Application Specific, High-Quality Turbocharger Oil Lines for Transferring Oil to and from the Turbocharger of Light, Medium, and Heavy-Duty Vehicles.

Edelmann® introduces a new line of aftermarket turbocharger oil lines for the increasing number of turbocharged vehicles in North America. The lines provide coverage to over 34 million vehicles in a broad range of applications from heavy duty trucks to small compacts. Each application specific part includes the necessary hardware for a complete solution. The line-ups incorporate the *Committed to OEM Form, Fit & Function™* quality and philosophy customers have come to expect from Edelmann products.
