- SUPERIOR TEMPERATURE RANGE PERFORMANCE
- OUTSTANDING IMPULSE DURABILITY
- STELLAR COLD TEMPERATURE PLIABILITY
- ENGINEERED FOR EXTREME CONDITIONS
- COMMITTED TO OEM FORM, FIT & FUNCTION™
- LIFETIME WARRANTY RELIABILITY

Edelmann Elite® ushers in a new era with the introduction of the market's first premium power steering hose line. By utilizing an enhanced rubber formulation and advanced engineering techniques, the line is designed to excel in extreme temperatures from polar vortex colds to record-breaking heatwaves. Created from the most demanded 100 hoses, Edelmann Elite provides coverage to over 130 million vehicles in operation. Each hose incorporates the Committed to OEM Form, Fit & Function™ philosophy customers have come to expect from Edelmann® products, while offering never before seen extreme temperature performance in power steering.

# 10X *Corrosion Resistance* = *Longer Lasting*

SUPERIOR PLATING ON EDELMANN ELITE® FITTINGS PASSES THE MOST STRINGENT CORROSION TESTS. ELITE HOSE FITTINGS SURVIVE SALT SPRAY TESTING 10 TIMES AS LONG AS FITTINGS ON COMPETITIVE HOSES. ELITE HOSE FITTINGS LAST 10 TIMES LONGER WHEN DRIVING IN ENVIRONMENTS WHERE WATER, SALT, AND OTHER CORROSIVE AGENTS ARE PRESENT.

# 4X *Impulse Durability* = *Lower Maintenance*

ELITE HOSES ARE TESTED TO 1,000,000 HOT IMPULSE CYCLES WITHOUT FAILURE. COMPETITIVE HOSES ARE ONLY TESTED TO 250,000 CYCLES. WHEN RUNNING A FLEET OF VEHICLES FOR LONG HOURS AND HUNDREDS OF THOUSANDS OF MILES, THAT'S 4 TIMES THE PREVENTION OF DOWNTIME DUE TO REPAIR AND MAINTENANCE. ADDITIONALLY, THE ELITE HOSES RESIST HARDENING AND RETAIN PLIABILITY WHEN COOLING DOWN TO TEMPERATURES BELOW -40° F; RESULTING IN MORE CONFIDENT START UPS IN COLD WEATHER.

# 2X *Less Swelling* = *Increased Confidence*

RUBBER SWELLS WHEN EXPOSED TO POWER STEERING FLUID AND OTHER OILS. OIL PERMEATION NOT ONLY CAUSES THE HOSE TO SWELL, BUT DEGRADES THE HOSE OVER TIME AND LEADS TO PREMATURE HOSE FAILURE. THE UPGRADED RUBBER USED IN ELITE HOSES CUTS OIL INDUCED HOSE SWELLING BY HALF!

# 100X *More ELITE*
